

First Congress of Molecular Biologists of Serbia
with international participation
Belgrade, September 20-22, 2017

Dear colleagues,

It is my pleasure to invite you, on behalf of the Organizing Committee, to attend the First Congress of Molecular Biologists of Serbia with international participation. CoMBoS will be held on 20 – 22 September 2017 at the beautiful Legacy of Ilija M. Kolarac placed in the heart of Belgrade, Serbia (Student's Square 5).

The goal of the Congress is to encourage the cooperation and exchange of ideas, knowledge and experience between molecular biologists, as well as between scientists and professionals in related fields. CoMBoS scientific program will be organized in three Sessions:

Molecular Biology of Eukaryotes

Molecular Biology of Microorganisms

Biomedicine

Scientific board, chaired by professor Gordana Matić, will review submitted abstracts and information on accepted ones will be forwarded to participants by July 1st 2017. Invited lectures will be printed *in extenso* in the special issue of *Biologia Serbica*, edited by Academician Milena Stevanović and Professor Dušanka Savić-Pavićević. Abstracts will be presented in the electronic Book of Abstracts.

The CoMBoS award for the best poster presentation and the award of Serbian Society of Molecular Biology (MolBioS) for the contribution to development of Molecular Biology in Serbia will be presented during the Closing Session.

Information about the CoMBoS and instruction for registration and abstract submission will be available at the web site <http://molbios.bio.bg.ac.rs/>.

We look forward to welcoming you in Belgrade,

Professor Goran Brajušković,
President of the Organizing Committee

Congress organizers:

Serbian Society for Molecular Biology

University of Belgrade

University of Novi Sad
